## Moira Furnace Folk Festival 17<sup>th</sup>/18<sup>th</sup>/19<sup>th</sup> August 2012

### Trade/Craft Stall Application Form - Information

The Moira Furnace Folk Festival this year will be held on the 17<sup>th</sup>/18<sup>th</sup>/19<sup>th</sup> August 2012 at the Moira Furnace site - see [www.moirafurnacefolkfestival.co.uk](http://www.moirafurnacefolkfestival.co.uk)

This is the 4<sup>th</sup> year of the Festival. After working on data from 2009 / 2010 / 2011 and on this year's tickets sales so far, we expect the attendance to exceed 1000 people over the three days.

#### ***Application to have a trade/craft stall at the 2012 Festival***

When considering applications we will be looking for a variety of stalls that will collectively give the people attending the festival a wide range choice when purchasing.

The site is available for setting up from 4.30 p.m. on Thursday 16<sup>th</sup> August until 2.00 p.m. on Friday 17<sup>th</sup> August. There is a speed restriction of 5 mph on the Festival site and stall holders are asked to report to the Festival Office on arrival.

#### ***Stall pricing***

**Gazebo:** Pitches 3 metres x 3 metres at £35 a pitch

These are for space only and you need to provide your own gazebo, tables and chairs. There is no parking provided with this pitch. Car parking is available on the main festival car park.

**Trade pitches:** Pitches are £15 a metre frontage. All pitches have 8 metres depth. Vehicles may be parked behind stalls but must stay within the pitch you book.

#### ***Please note***

The complete stand, together with any vehicles that are kept by the stall, must be confined within the area booked.

To comply with Health and Safety requirements, once situated no vehicular movement will be allowed until the end of concerts on Sunday afternoon. The provision of electricity is not possible and only generators that are silent or muffled, are permitted.
